

The 2026 South African ULTRA Triathlon Series.

Your Road to the T100 World Champs in Qatar!

The stage is set for one of the most exciting triathlon seasons South Africa has ever seen! The **2026 South African ULTRA Triathlon Series** has officially been confirmed as Triathlon South Africa's qualifying platform for the South African Age Group Team heading to the T100 World Championships, scheduled to take place in Qatar in December 2026.

The 2026 T100 Age-Group World Championships in Doha, Qatar promises to be a landmark event for age-group triathletes. Set against Doha's ultramodern skyline and the Gulf's shimmering waters, competitors will tackle the signature 2 km swim, 80 km bike and 18 km run. Qualifying will be fierce as TSA athletes must finish in the top 3 of their age group at the qualifying events to earn a slot. With the world's best amateurs converging on this iconic venue, it's a true test of endurance, skill and global sporting spirit.

South African athletes, this is your opportunity to race for national pride, qualify to represent Triathlon South Africa, your country, and experience the ultimate in international triathlon competition. The qualifying journey begins with the **Durban Ultra Triathlon on Sunday, 15 March 2026**, where athletes will take on a breathtaking ocean swim, a fast and scenic coastal cycle, and a vibrant beachfront run. The momentum then shifts to the **Sun City Ultra Triathlon on Sunday, 9 May 2026**, where competitors will tackle a tough and beautiful course framed by the majestic Pilanesberg mountains.

Both National ULTRA Triathlon events offer the unique T100 race distances of a 2km Swim, 80km Bike and a 18km Run for athletes to conquer on the day and test their mettle to qualify for World Championships.

The top finishing age group triathletes across the series will earn the prestigious opportunity to represent Triathlon South Africa and compete on the world stage in Qatar in December 2026.

With perfect race venues, world-class organisation, and a dream destination awaiting, the 2026 Ultra Triathlon Series promises to be the ultimate test of endurance, passion, and pride. Athletes will need to have a valid TSA Licence membership to be eligible for selection.
